

SECTION 11.01

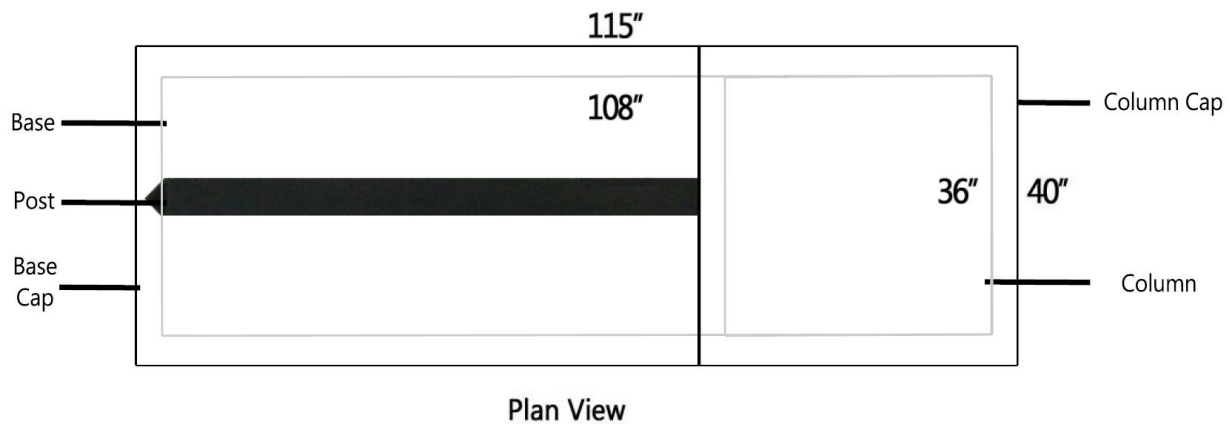

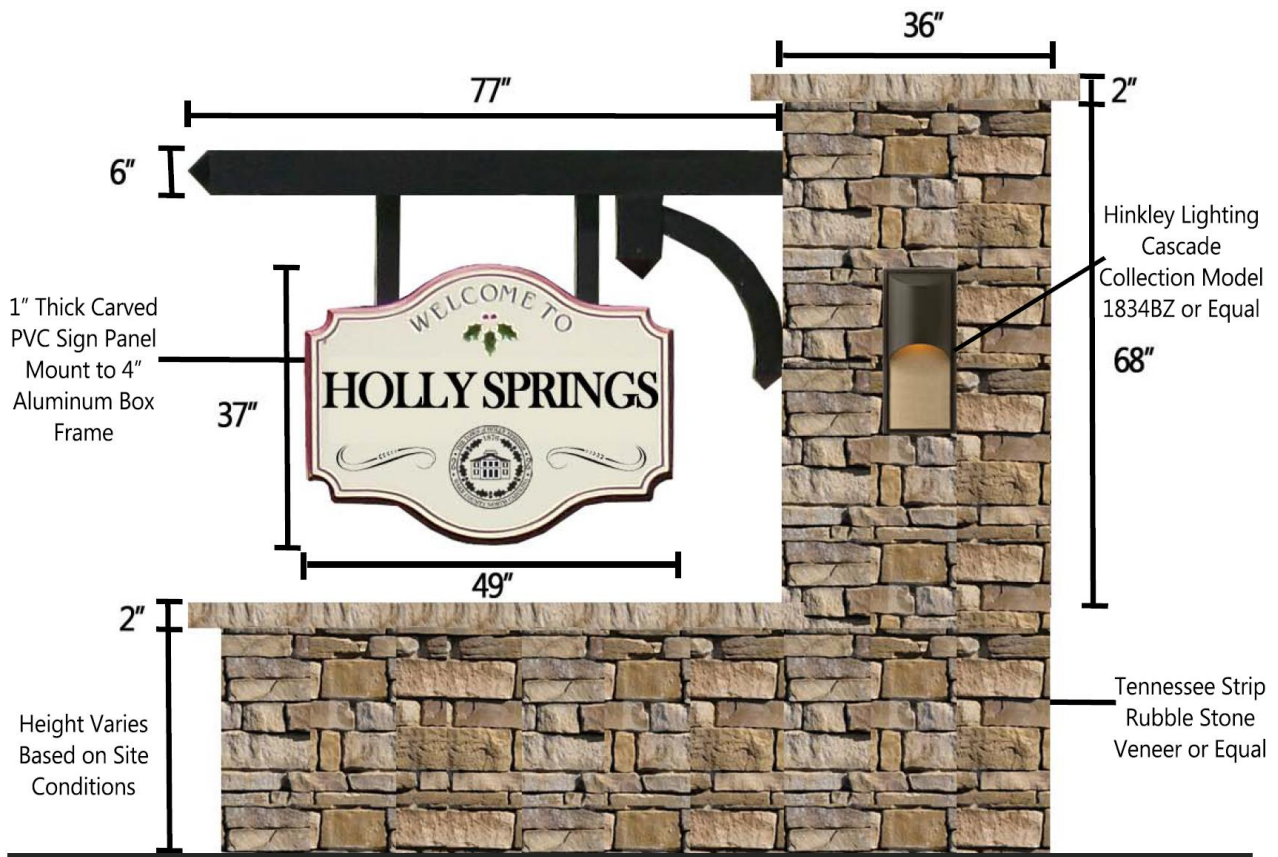

Secondary Gateway

This design feature shall be applicable to all properties designated as a location for a Secondary Gateway as specified in the Town's Comprehensive Plan. These Design Guidelines shall remain in effect until such time that it is altered, modified, or rescinded by the Town Council. [Amended Resolution #15-26]*

Design Guidelines:

The following sheet provides a detailed drawing of the required design feature for a Secondary Gateway. The design of the feature may have to be modified in certain locations due to site constraints. Such modifications shall be reviewed and approved by the Director. [Amended Resolution #15-26]*

Secondary Gateway Signage Concept Design

Note:
 -Drawing Not to Scale
 -Final design and shop drawings shall be supplied by the fabricator. North Carolina registered professional engineer is required to sign and seal the submittal of shop drawings.
